

## APRICOT

APRIDELICE cov REGALCOT® ASF1005

Very interesting variety, regularly producing  
very attractive fruits

**HABIT:** semi upright  
**PRODUCTIVITY:** high,  
regular without alternation

**TIME:** Late  
**FERTILITY:** Self-pollinating  
**FLOWER INTENSITY:** high

**HARVEST:** week 26 and 27  
**SIZE:** uniform 3A  
**COLOR:** very bright red  
**FLAVOR:** semi sweet, aromatic

We have observed this variety is  
not compatible with the  
Myrobolan 29C graft holder
