

WHITE NECTARINE

NECTARRUBY cov NECTASWEET® ASF0828

Variety which gives satisfaction in all the production sites for its agronomic and organoleptic qualities.

HABIT: semi-upright
PRODUCTIVITY: regular

TIME: similar to BIGTOP®
FLOWER TYPE: rosaceous
FLOWER INTENSITY: good

HARVEST: 32-33 week
SIZE: 2A homogeneous
COLOR: dark red
FLAVOR: semi sweet, good aroma

Variety very interesting for this time of maturity, as for its production site
